A man sought by Baileyton police in connection with a vehicle pursuit last week was taken into custody Saturday by sheriff's deputies after the suspect's car was seen parked at a house in the 3000 block of Gap Creek Road in Mosheim.

Danny Ray Cutshall, 35, of 3500

Gap Creek Road, was sought on arrest warrants for felony counts of evading arrest and reckless endangerment, along with a theft of property/shoplifting charge.

A blue car matching the description of one "used the week prior to flee from officers" in Baileyton was

Cutshall was found in the house and taken into custody pending a first scheduled appearance today in General Sessions Court.

3 Charged With Murder In Hawkins County

ROGERSVILLE, Tenn. (AP) — Three people who have been charged with first-degree murder in the death of a Virginia woman are expected to be extradited to Tennessee this week.

The Bristol Herald Courier cites a Hawkins County grand jury indictment released Friday that says 25-year-old Charles Timothy Gray,

23-year-old William Cody Mullins and 27-year-old Augusta Dawn Hall have been charged and are in custody.

Hawkins County Sheriff Ronnie Lawson says Hall is in Georgia and Gray is in Kentucky, but both are expected to return to Tennessee this week.

Lawson says the investigation

into the death of 26-year-old Callie Mahayla Ison has been ongoing since November, when a deer hunter found her body in a creek.

He says an autopsy showed Ison had been shot five times, and her death was ruled a homicide.

IT HAPPENED HERE

A Greeneville man had to be airlifted to a local hospital after he was beaten with a bat so severely it broke his leg. Dispatchers received a call on Feb. 9 in regards to a man who needed help at a home on Horton Highway. When the reporting officer arrived, Wings Air Rescue was circling overhead and about to land for the victim. Emergency workers said the victim had a broken tibia and fibula. The victim told police he was at his girlfriend's home on Thursday evening when there was a knock at the door. Allegedly at the door was the girlfriend's husband and another male. The pair allegedly came in the house and assaulted him, one with a baseball bat. The victim said he did not know what happened to his girlfriend. He had no phone and had to yell for help before a worker across the street heard him and called for help. The case has been turned over to detectives.

Officers with the Greene County Sheriff's Department took a report on a possible break-in at a home on Sam Jenkins Lane. The victim does not live in the home but was called on Feb. 8 by a neighbor who said he had seen flashlights around the residence the night before. The victim went and checked the residence and told police the door frame and striker plate

were damaged, and it looked like someone had pried the door open. The victim nothing appeared to be missing.

Austin Guthridge, 32, of 37 Culvert Drive, Mohawk, was arrested on Friday for domestic assault. Officers received a call at the home and spoke with the victim. She told police Guthridge had allegedly shoved her a couple of times and slammed her right hand inside the bathroom door. She told officers she feared for her safety and Guthridge was arrested.

A call to the Greene County Sheriff's Department Friday reported that a van had run off the road and hit a street sign, then drove away from the scene. The responding deputy located the van on the Erwin Highway. Officers identified the driver as Caleb Hutsell, 39, 7315 Erwin Highway, Chuckey. He reportedly told officer he had hit the sign and had left the scene because he had been drinking. Hutsell allegedly had a strong odor of alcohol, had bloodshot eyes and was unsteady on his feet. Hutsell allegedly performed poorly on the field sobriety test and was arrested for DUI and leaving the scene of an accident.

An officer with the Greeneville Police Department observed a driver and a passenger in a gold truck not wearing their seat

belts on Feb. 9. A traffic stop was initiated and the driver, Charles Cutshaw, allegedly told officers his license was revoked for driving under the influence. A records check revealed it was revoked, and he was arrested for driving on revoked license — 3rd offense, no seat belt, a registration violation (switched tags) and driving with no insurance. The passenger, Willard Cutshaw, had a federal warrant for his arrest. A container was also found in the floor board where he was sitting. Inside were multiple syringes, glass pipes, a spoon and a vial of unknown liquid. Cutshaw was charged with his warrant, possession of drug paraphernalia and no seat belt.

A Greeneville man was arrested on several drug charges after Greene County sheriff's deputies received a call on Feb. 10 about a man slumped over in a van in front of a barn on South Old Kentucky Road. A deputy found the van running and the suspect, later identified as Timothy Tullock, 32, 239 Robert Harmon Road, slumped over in the driver's seat. The officer turned the van off, took the keys out and snapped several photos of the suspect. Once Tullock was awake he allegedly told deputies he pulled in the driveway at 2 or 3 a.m. and had "taken downers."

Tullock was described as having bloodshot eyes and slurred speech. He was charged with public intoxication. During a search, the officer allegedly found white and blue pills and a bag of meth on his person. A search of the vehicle allegedly turned up a syringe, marijuana and rolling papers. Also inside the vehicle were another syringe, empty blue plastic baggie and a clear plastic baggie allegedly containing meth. Tullock was additionally charged with possession of schedule II drugs, possession of schedule VI drugs, possession of meth, possession of a legend drug and possession of drug paraphernalia. His first scheduled court appearance was set for Monday.

Boat Stolen, Left In Roadway

It was not smooth sailing for whoever stole a boat from the parking lot of a State Street business between Saturday night and Sunday morning.

Sheriff's deputies received a call Sunday morning about a boat on Whitehouse Road at Crystal Lane.

The boat was found on a trailer with no axle. It had been dragged down the road, Deputy Billy Walters said in a report.

The owner was called to the scene and told deputies he had left the boat at A&W Farms LLC at 296 State St. The boat was stolen from the lot.

The Monark flat-bottomed boat is valued at \$2,000. Stolen from the boat were a 25 horsepower Yamaha motor, a trolling motor, a 24-inch light bar, four life jackets, a gas tank and two car batteries.

The combined value of the stolen possessions is about \$1,800. The boat was removed from the road by a wrecker.

The theft remains under investigation.
