

# In Loving Memory of Ranell Orfield

## Birthday Memories of Ranell Orfield

God saw you were getting weary; He did what He thought best.

He put His arms around you and said, "Come and Rest."

He opened up His golden gates on that heartbreaking day,  
And with His arms and mine around you, you gently slipped away.

I think of you in silence and often speak your name.

Now all I have are memories and your picture in a frame.

A million times I have needed you, a million times I have cried.

If love alone could have saved you, you never would have gone.

In life I loved you dearly, in death I love you still.

In my heart you hold a special place no one could ever fill.

It broke my heart to lose you, but you did not go alone;

For a part of me went with you that day God called you home.
